

## **2022 VIDEO INFORMATION and PRICING**

We will record your child(ren)/family visit with Santa on a hard disk based system. Each year's visit will be burned onto a DVD and will feature a special animation to "Rockin' Around the Christmas Tree" featuring Santa.

We strive to offer the best customer service and products available. To obtain the best audio possible, Santa wears a microphone on his lapel. Due to technology restraints, it is not possible to add onto a DVD. Therefore, you will receive a new DVD and case each year that you purchase a DVD. We keep these visits on a hard drive for safe keeping and for creating a "Lifetime" DVD when your child(ren) are grown.  
**Video pricing is per family (siblings, not cousins)**
